Cindy,

Sorry I didn't include that the first time. Below is the requested information.

8H

- Perf interval 4,672-12,260 MD
- Date of first production 10/21/2016
- Completion type (oil or gas) Oil
- Products to be reporting (oil, gas or both) Oil, Casinghead gas
- Directional Survey Attached
- P-8 (if applicable) N/A

3H

- Perf interval 4,426-14,755 MD
- Date of first production Anticipate Nov 1.
- Completion type (oil or gas) Oil
- Products to be reporting (oil, gas or both) Oil, Casinghead gas
- Directional Survey Attached
- P-8 (if applicable) N/A

Let me know if I can provide anything further.

Have a good weekend.
