Good afternoon! I am with University Lands and I am unable to get Ovintiv to provide us with the approved blanket P-4 they should receive from you so that we can make the change in our system. Is there any way I could get you to send that to me? I have attached an example of one I received in the past. I need the letter that shows the notification of change in company designation and then a list of all of the properties that got transferred. It should be going from Piedra 664930 to Ovintiv

628658. I am not even sure of the effective date, but I think it is July 2023. I would really appreciate any assistance you can provide. Thanks in advance for your help! Michelle
