Good afternoon! We currently show this well with a status of "completing" in our system. In order to update that status to "Producing without Regulatory" so we can get this well set up for reporting, please send the following information:

Final Directional Survey for the full length of the well in both PDF and Excel format received Excel version, still need PDF version Attached
Kick-off Point: 6,764'
Perf Interval. Where the well was perfed and is producing from: Wolfcamp A 7,760' – 17,541'
Date of first production: August 17, 2017
Products to be reported (oil/gas or both) Both
Type of completion (oil or gas) Oil
P-8 and P-4 for new wells or if the well is on an already established lease, the RRC Lease number. 19444
