Please be advised that the subject well had first production in October, 2017 and needs to be set up in Compass for reporting beginning next month. We have not filed completion reports for this well yet, but I have attached the final survey in excel and pdf format, wellbore diagram and plat of the well. Other pertinent information is:

KOP	7,726'
Perf Interval	8,687' – 15,132' (Wolfcamp C)
First Production	October 21, 2017
Product to report	Oil and Gas
Type of completion	Oil
UL Lease Number	113267
RRC ID	18981

Please let me know if you need anything else to set this well up in Compass for reporting beginning in December (October production month).

Thanks.
