Re: Leases #75519, #75520 & #75521

Gentlemen:

We have now received your applications and fees for thirty day extensions for Leases #75519, #75520 and #75521. These applications were received in our early afternoon mail of April 5, 1982. Thus we are returning the checks that you enclosed with your April 2, 1982 letter.

Please bear in mind that we will need an affidavit for each lease setting forth the status of drilling as of the end of the day of April 7, 1982. We should have this affidavit promptly after April 7, 1982.

Also, if the annual rental is not in the process of being paid, we should promptly receive this from the owner of record.

We are sending copies of this letter to Mesa Petroleum Company which has Leases #75520 and #75521 and to J. M. Huber Corporation which has Lease #75519. We will need letters of authorization from each of those companies acknowledging they are responsible for all acts of James L. Lamb, Jr., on the involved lease premises until such time as their interests are transferred to others. This is in accordance with lease provisions.

Sincerely yours,

Woodrow Schumacher

Re: Leases #75519, #75520, #75521

Gentlemen:

Please see our letter of April 6, 1982, concerning the 30 day extensions for the captioned leases. All of those leases expired on April 7, 1982, unless a valid application for a 30 day extension is made. At this time, we cannot consider these leases to be in effect as we have not received the necessary information requested in our letter of April 6, 1982. We have the rental payments, the affidavits informing us of the status of the drilling as of April 7, 1982, but, we do not have the letters of authorization from either J. M. Huber Corporation or Mesa Petroleum Company. Unless we have such letters of authorization by Monday, May 3, 1982, we must assume that the parties involved are not interested in retaining these leases and appropriate action will need to be taken.

We urge the cooperation of J. M. Huber Corporation and Mesa Petroleum Company.

Sincerely yours,

Woodrow Schumacher
