Re: Lease #27821
Blk 9, Sec 4, N/2
Andrews County, Texas

We have received your application for amendment of the captioned lease area and check for \$151.45. We note the application of Phillips Petroleum Company. Neither application indicates the interests of either company.

Our official records indicate the owners of the entirety of the lease area to be Phillips Petroleum Company. If your company has an ownership interest in any portion of the lease area, proper documents should be filed promptly to create that interest. We need to know the specific working interests covered by each application and when those interests are in agreement with the official records of this office, we can proceed with the amendment applications.

We are sending the Houston office of Phillips Petroleum Company a copy of this letter.

Sincerely yours,

Woodrow Schumacher
