RE: Waiver of Objection to Permit Amendment
UNIVERSITY CHLOE #9, Andrews County, Texas

OXY USA Inc. is requesting your waiver to amending the permitted depth of the UNIVERSITY CHLOE #9 well. The well is located 2,510' FSL & 470' FEL, Section 13, Block 3, University Lands Survey, Andrews County, Texas. Our original permitted total depth is 11,800', and we will amend the permit to a total depth of 12,200.

Granting your waiver will expedite the approval process with the Texas Railroad Commission, thus we respectfully request your signature below indicating your waiver of objection to amending the permit.

Your earliest attention to this matter is greatly appreciated. Please feel free to contact the undersigned with any questions or concerns.

Best Regards,
