Subject: FW: Texon Lease #3955

Good Morning Lisa,

You had mentioned you needed this a few weeks ago and I just got final confirmation from Apache on 3955

Their last 2 wells on 3955 are below and 1st day of production was 1/19/2024. No production since and wont be going forward.

Well	API	Shut-in Date
University BL 3	42-383-01501	1/19/2024
University 1-2	42-383-00309	1/19/2024

As soon as we get the copy back from courthouse with recording info I will be sure to forward that as well.

Let me know if you need anything else at this time. Thanks for all your help!

Thank You,

Mike Matison

Mike,

Sorry for the delay here. You had requested this information a few weeks back. Please see the email below from Apache's production engineer confirming the Well Name, API, and SI Date for the last producing wells on Lease #3955.

Sincerely,

CARSON HEBERT
